

DBP Development Programs and Plans to Support PDP 2017-2022

Where can DBP make a significant impact?

1

Poverty rate down to 14%

Equivalent to lifting about 6 million Filipinos from poverty

- Retail Lending for Micro and Small Enterprises (RLM)
- Sustainable Agribusiness Financing Programs (SAFP)
- Tree Plantation Financing Program (TPFP)

2

Unemployment rate down to 3-5%

By creating 950,000 to 1.1 million jobs per year

- Retail Lending for Micro and Small Enterprises (RLM)
- Sustainable Agribusiness Financing Programs (SAFP)
- Connecting Rural and Urban Intermodal System Efficiently (CRUISE)

3

Greater trust in government and in society

DBP Contributes to the PDP 2017-2022 and to the National Long-Term Vision

Chapter 8: Expanding Economic Opportunities in Agriculture, Forestry, and Fisheries through Sustainable Agribusiness and Forestry

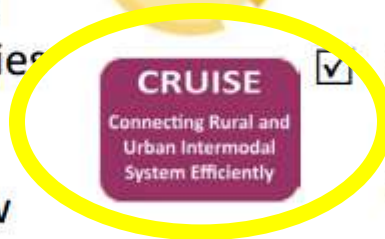

Expand economic opportunities

- Strengthened community based enterprises in upland communities
- Encouraged small farmers and fisherfolks to use better and new technologies
- Developed business models in specific agricultural sector that promote and encourage credit to farmers
- Increased compliance to agricultural credit

Increase access to economic opportunities

- Extended credit to physically link production areas to markets
- Provided small farmers and fisherfolks easy access to affordable formal credit

DBP Contributes to the PDP 2017-2022 and to the National Long-Term Vision

Chapter 11. Reducing Vulnerability of Individuals and Families

Achieve universal and transformative social protection against individual risks, economic risks, natural hazards, and governance and political risks

CRUISE

Connecting Rural and
Urban Intermodal
System Efficiently

GFP

Green Financing
Program

- Instituted a social safeguards policy
- Incorporated assessment of social impacts in loan evaluation
- Integrated climate change and disaster risk reduction considerations in project appraisal
- Financed climate change adaptation and disaster risk reduction projects

DBP Contributes to the PDP 2017-2022 and to the National Long-Term Vision

Chapter 19. Accelerating Infrastructure Development

- ✓ Supported investments in transport, logistics and tourism sectors and related information technology
- ✓ Actively promoted the use of different investment modalities including Public-Private Partnership (PPP)
- ✓ Financed strategic infrastructure for water resources, energy, shelter, education and health
- ✓ Provided technical advisory services to project proponents
- ✓ Incorporated climate resiliency and disaster risk assessment in project evaluation
