

ENVIRONMENTAL MANAGEMENT BUREAU (EMB)

VISION

A nation empowered to protect our finite resources, attuned to the pursuit of sustainable development, for a clean and healthy environment that enhances the Filipino quality of life for present and future generations

> MISSION

To restore, protect and enhance environmental quality towards good public health, environmental integrity and economic viability.

MANDATES

P.D. 1586: The Philippine Environmental Impact Statement (EIS) System of 1978

R.A. 8749: The Philippine Clean Air Act of 1990

R.A. 9275: The Philippine Clean Water Act of 2004

R.A. 6969: Toxic Substances and Hazardous and Nuclear Waste Control Act of 1990

R.A. 9003: The Ecological Solid Waste Management Act of 2000

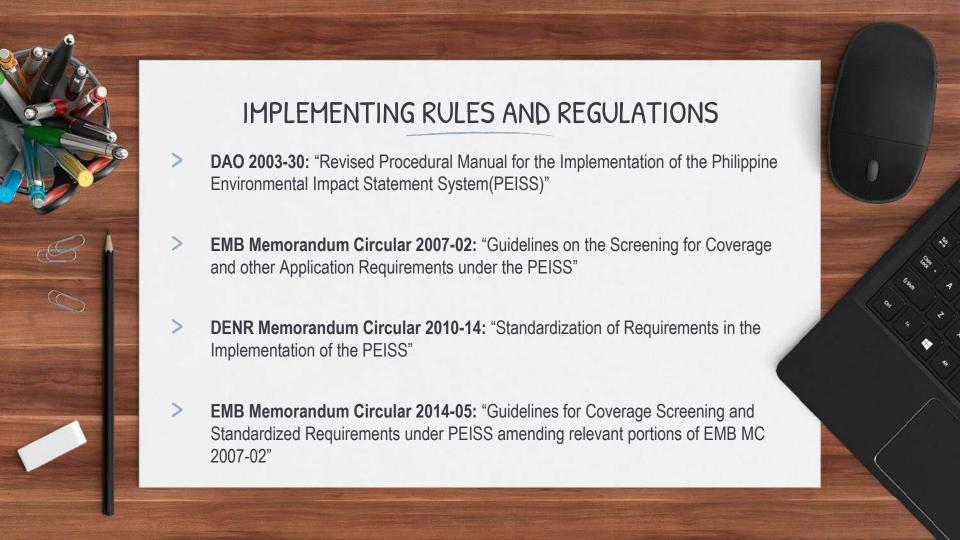

R.A. 9512: Environmental Awareness and Education Act of 2008

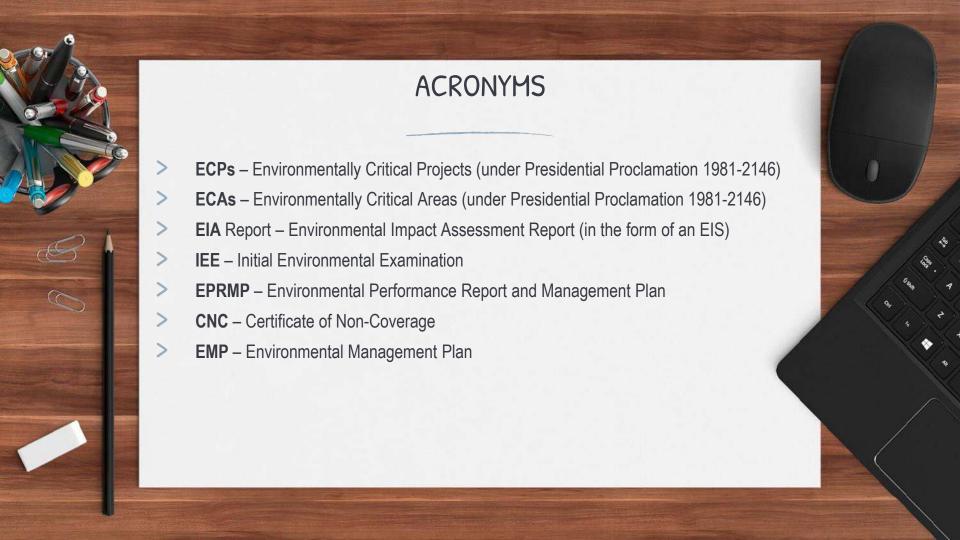

Under E.O. 192, EMB is also mandated to provide research and laboratory services, and serve as secretariat in the adjudication of pollution cases.

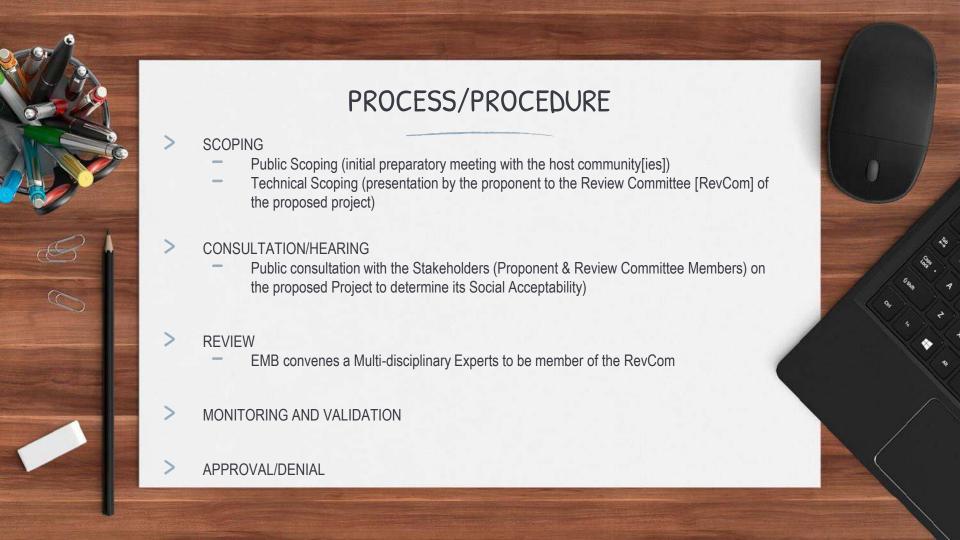

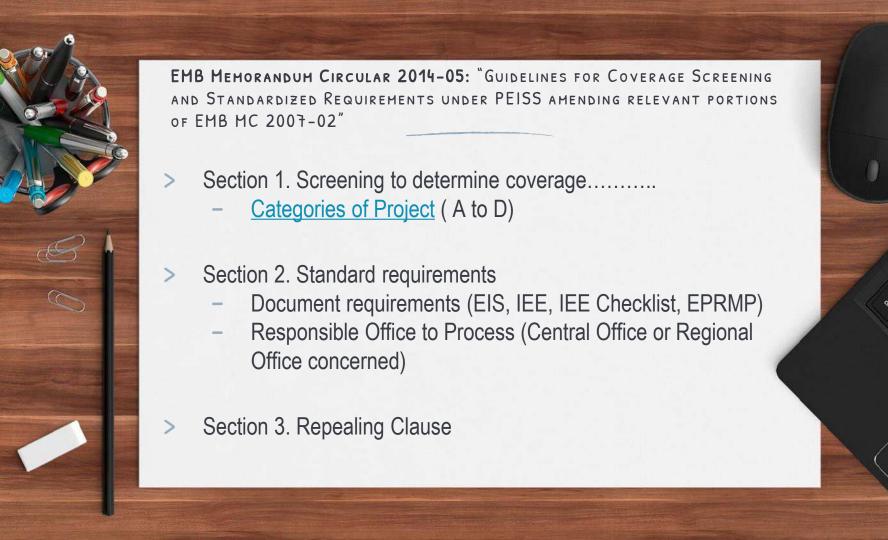

- Requires all government agencies, government-owned or controlled corporation and private companies to prepare an environmental impact assessment for all development projects and undertaking that will significantly affect the quality of the environment prior issuance of Environmental Compliance Certificate (ECC) by DENR
- It is a planning tool (environmental costs must be considered during the conduct of the Feasibility Study)

ECC-OL-R03-2018-0195

Mr. Edward Allan H. Que President TARLAC PRIMERO HOG CORP.

New Tarlac Northern Marketing, Poblacion, F. Tanedo St., Tarlac City

Subject: **ENVIRONMENTAL COMPLIANCE CERTIFICATE**

Dear Mr. Que,

This refers to the Environmental Compliance Certificate (ECC) application for the proposed Piggery Farm Project to be located at Brgy, Calayaan, Gerona, Tarlac.

After satisfying the requirements of the said application, this Bureau has decided to grant an ECC for the above-mentioned project.

With the issuance of this ECC, you are expected to implement the measures presented in the Initial Environmental Examination Checklist (IEEC), intended to protect and mitigate the project's adverse impacts on community health, welfare and the environment. Environmental considerations shall be incorporated in all phases and aspects of the project.

This Certificate does not create any right nor be used as an authorization to implement the project. You may proceed with the implementation only after securing all the necessary and relevant permits from other pertinent Government Agencies. This Office shall be monitoring the project periodically to ensure strict compliance with the stipulations cited in the attached ECC.

Please be guided accordingly.

Very truly yours,

LORMELYN E. CLAUDIO, CESO IV Regional Director

Republic of the Philippines Department of Environment and Natural Resources

ENVIRONMENTAL MANAGEMENT BUREAU Regional Office IV. Turquesies St., RAMAN Village, San Apostin.

ENVIRONMENTAL COMPLIANCE CERTIFICATE (Issued under Presidential Decree 1586)

ECC-OL-R03-2018-0195

THIS IS TO CERTIFY THAT THE PROPONENT, TARLAC PRIMERO HOG CORP., represented by its President, Mr. Edward Allan H. Que, is granted this Environmental Compliance Certificate (ECC), for the proposed Piggery Farm Project to be located at Brgy, Calayaan Gerona, Tarlac, by the Department of Environment and Natural Resources (DENR), through the Environmental Management Bureau

SUBJECT ONLY to the conditions and restrictions set in this ECC and in the attached document labelled as Annexes A and B.

This Certificate is issued with the following details:

PROJECT DESCRIPTION

The ECC covers the proposed Piggery Farm Project with a total hog population of 4,000 heads in an area of 90,311 square meters covered by TCT Nos. 329368 and 41139 to be located at Brgy. Calayaan Gerona, Tarlac, Region RO3, It will consist of the following facilities:

- · Twelve (12) units pig building
- · Wastewater treatment facility
- · Office and warehouse

Geographical Coordinates Longitude: 120.522327777778 Latitude: 15.5773444444444

This Certificate is issued in compliance with the requirements of Presidential Decree No. 1586, and in accordance to DENR Administrative Order (D.A.O.) No. 2003-30. Non-compliance with any of the provisions of this Certificate shall be a sufficient cause for the cancellation of this Certificate and/or imposition of a fine in an amount not to exceed Fifty Thousand Pesos (P50, 000.00) for every violation thereof without prejudice to imposition of fines and penalties under other environmental laws. The EMB, however, is not precluded from reevaluating and correcting any deficiencies or errors that may be found after issuance of this Certificate.

Environmental Compliance Certificate Tarlac Primero Hog farm Brgy, Calayaan Gerona, Tarlac Tarlac Primero Hog Corp.

Issued at EMB-R03, Regional Office III, Turquoise St., RAMAR Village, San Agustin, City of San Fernando, Pampanga this August 17, 2018.

Recommending Approval:

ENGR. DENNIS O. CELESTIAL Chief, Clearance and Permitting Division

Approved by:

LORMELYN E. CLAUDIO, CESO IV Regional Director

ENVIRONMENTAL MANAGEMENT

All commitments, mitigating measures and monitoring requirements, contained in the Initial Environmental Examination Checklist Report for the proposed Piggery-Farm Project, particularly in the Environmental Management Plant/ Environmental Monitoring Plant, including any modifications and/or additional information as approved by the EMB, shall be instituted to minimize any adverse impact of the project to the environment throughout its implementation, which shall include among others to wit:

- Implement proper housekeeping practices to prevent generation of obnoxious odor and proliferation of flies in the project area and adjacent vicinities;
- Ensure that no wastes shall be burned in the area and that ecological waste management measures such as waste segregation, minimization, re-use, compositing, etc., are implemented;
- 3. The proponent shall entablish a vegetative buffer zone/green area of sufficient width along the perimeter line of the livestock farm and the same shall be planted with fragrant and appropriate species to minimize the impact of odor and noise nuisance to the surrounding areas/compunities:
- 4. Conduct an effective Information, Education and Communication (IEC) Program to inform and educate all stakeholders, especially its contractors, workers, and local residents about the mitigating measures embodied in its IEEC, the conditions stipulated in this Certificate and the environmental and human safety features of the project for greater awareness, understanding and sustained acceptance of the project. The program shall be submitted to this Office on an annual basis:
- Implement a Comprehensive Social Development Program (SDP) and aubmit a separate report together with the Compilance Monitoring Report (CMR) to the this Office on a semi-annual basis;
- 6. Planting of native trees shall be undertaken either within the project site and/or in other areas as part of the proposent's social and environmental program. A Tree/Vesetation Plan shall be submitted to this Office within thirty C301 days from the date of approval of this ECC which includes quantities and plant species, area/location and planting strategy and management programs, etc.;
- 7. The proponent shall construct and operate its Washewater Treatment Facility (WTF) effectively to ensure compliance with the effluent standards of the DENR. The WTF shall be installed provided with appropriate impermeable high density linings to prevent groundwater contamination;
- Provide an accessible walk-way leading to the WTF or effluent outfall area and the periphery of the project site for easy conduct of monitoring and water sampling.

Environmental Compliance Certificate Tarlac Primero Hog farm Brgy, Calaysan Gerona, Tarlac Tarlac Primero Hog Corp. Mortality pit shall be provided with adequate lining to prevent contamination of groundwater.

GENERAL CONDITIONS

- The proponent shall comply with the requirements of other environmental laws, i.e. Republic Act (RA) 8749 or "The Clean Air Act of 1999", R 6969 or Toxic Substances and Hazardous and Nuclear Wastes Control Act of 1990", RA 9003 or "Ecological Solid Waste Management Act of 2000" and RA 9275 or "Clean Water Act of 2004", among which are:
 - Secure Permit to Operate Air Pollution Source Control Installations (APSCI) and Discharge Permit for Water Pollution Source/Control Pacilities (WPSCF)
 - Designate Pollution Control Officer (PCO)
 - Submit quarterly Self Monitoring Report
 Design Waste Communication
 - Register as Hazardous Waste Generator
- 11. The proponent shall ensure that multi-chambered septic tank shall be constructed to serve the facility and siphoning/dealudging of the same shall be undertaken. Septage shall be hauled/transported and treated by a third party Licensed Hauler and Treater.
- Comply with RA 9003 (Ecological Solid Waste Management Act) and implement the following:
 - Designate a temporary storage area/Materials Recovery Facility for recyclables, electronic wastes, BFLs, batteries and other special waste;
 - Provide a backyard composting area/facility (if applicable) or proof of collection;
 - c. Execute a Contract/Memorandum of Agreement (MOA) with the Local Government Unit (LGU) as hauler and with contract/MOA with accredited Sanitary Landfill (SLF) for disposal of residual waste; and
 - d. Secure a Certificate of Disposal/Treatment issued by accredited Sanitary Landfill (SLF) and Treatment Storage and Disposal (TSD) Facility operators;
- 13. The proponent shall conduct quarterly water sampling tests for the receiving waterbody and influent/effluent for parameters such as BOD, Total Suspended Solids (TSS), Settleable Matter, pH, and other applicable parameters and results of which shall be submitted to this Office as part of the Self Monitoring Report (SMR);
- Copy of Environmental Compliance Certificate (ECC) shall be posted in a conspicuous area in the project site;
- 15. That should there be any complaint from the community related to environmental pollution, door muisance and santiation problem brought about by the piggery farm's operation, the proponent shall be held responsible to address such problem;
- The proponent shall adopt the receiving body of water of its piggery farm operations;

Environmental Compliance Certificate Tariac Primero Hog farm Brgy. Calayaan Gerona, Tariac Tariac Primero Hog Corp.

- The proponent shall allow inspection or munitoring that will be conducted by this Office saytime in coordination with concerned groups;
- 18. Creation of an Excircumental Unit (EU) within saxy (60) days from instance of this Certificate that shall competently handle the environment—related aspects of the project shall be implemented. In addition to the monitoring requirements as specified in the Environmental Management Plan, Emitronmental Monitoring Plan, the EU shall have the following responsibilities:
 - Monitor actual project impacts vis-i-vis the predicted impacts and management measures in the IEEC;
 - Recommend revisions to the EMP/EMoP, whenever necessary subject to the approval of EMB Region 3;
 - c. Ensure that data gathered during monitoring activities are properly documented, assessed, evaluated and reported to EMB in accordance with the standard formats; and,
 - d. Ensure that monitoring and submissions of reports to EMB are carried out as required;
- 19. An Alazadanuman Plan shall be submitted to this Office ainerty 500 days print to the project's abandoument. The plan shall include remediation, dean-upand rehabilitation measures of contaminated areas and proposed abstractive project of artivity suitable in the area;

II. RESTRICTIONS

- 20. No activities shall be undertaken other than what were stipulated in the IEEC. Should there be any expansion of the project beyond the project description or any change in the activity or transfer of location shall be subject to a new territoriumntal Impact Assessment.
- 21. No cutting of trees shall be undertaken without first securing Permit to Cut from the DENR-Forest Management Service, Region III. Likewiss, Inventory of Trees to be cut shall be submitted to this Office; and
- 22. In case of transfer of ownership of this project, these same conditions send apply and the transferse shall be required to noticly the EMB Central Office within fifteen [15] days from the transfer of ownership to allow the necessary changes brought shout by such transfer.

Non-compliance with any of the previous of this coreflicate shall be a inflation cases for the consollation or impression of this conflicate analysis impression of a fine in an amount not to exceed Fifty Dissumed Pates (2010) 80 for over violation through

Environmental Complianae Certificate Tartac Primero Hog farm Rogy, Caleyson-Gerora, Tartac Tartac Primero Hog Corp.

For the assistance of the Proponent and the Government agencies concerned in the management of the Project and for better coordination in mitigation of the impacts of the Project on its surrounding areas and the environment, and by way of recommendation, forwarding these recommendations to the parties and authorities concerned for appropriate action.

| OTHER REGULATORY REQUIREMENTS/CONDITIONS | CONCERNED GOVERNMENT AGENCIES/ENTITIES |
|--|---|
| Compliance with the Sanitation Code of the Philippines; | DOH/LGU Concerned |
| Compliance with the Labor Code of the Philippines | DOLE - Bureau of working condition |
| Compliance with the Building Code of the Philippines | LGU Concerned |
| Compliance with the Ecological Solid Waste Management Act. | LGU Concerned |
| Secure tree cutting permit | FMB - DENR |

ENVIRONMENTAL PLANNING RECOMMENDATIONS FOR THE PROPONENT

- Priority of employment shall be given to qualified local residents. Adequate public information for jobs available to local residents in the affected areas shall be provided;
- Undertake close monitoring of the project to maintain a high level of safety and efficiency at all stages of the construction phase and immediately address any environmental hazard that may take place.
- Undertake regular watering of unpaved roads and exposed soils/ground to prevent dust generation.
- 9. Donate collectible recyclables to the LGU concerned.

For dissemination and proper action of the parties concerned.
