The image shows the Hilton Cebu Resort & Spa, a large, modern hotel complex with multiple towers and a beachfront. The resort is surrounded by lush greenery and palm trees. In the foreground, there are smaller images showing hotel amenities: a hotel room, a spa treatment, a restaurant dish, and a pool area.

Hilton
Cebu Resort & Spa

Magnificent, breath-taking and a masterpiece of tourism achievement. Culminating on this day's official launching, Hilton Cebu Resort is an epitome of development in the Queen City of the South. With its splendid coastline view, the Philippines begins anew with its continued efforts to capture the big Asian, European and Western tourists and experience the warmth of Philippine hospitality and its culture. It now marvels with the beauty of pristine Cebu shoreline waters and white sand.

With tourism as a priority industry of the Government, the completion of the Hilton Resort was made possible through project finance of the Philippine Export-Import Credit Agency (PhilexIM), a government financing institution attached with the Department of Finance.

On the occasion of its grand opening ceremonies on October 26, 2005, with Her Excellency, President Gloria Macapagal-Arroyo as guest of honor, PhilexIM joins the country in congratulating Goldland Philippines Corporation, lead proponent of the resort hotel, for this contribution to tourism development and job generation opportunities.

Congratulations and Mabuhay!
