SUPPLEMENTAL/BID BULLETIN

NO. 6-10-04-24

**SUPPLY, DELIVERY AND INSTALLATION OF VARIOUS FURNITURE AND FIXTURE IN
BANAUE HOTEL AND YOUTH, BANAUE IFUGAO**

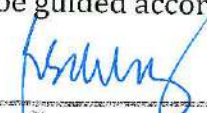

The Bids and Awards Committee of TIEZA hereby announces the clarification/s or amendments to the bidding documents as discussed and agreed during the pre-bidding conference.

Rendition of pictures or IDR concept shall be submitted with the technical bid proposal I order for the BAC to check if it is compliant with the Banaue Hotel. Delivery shall start **240 calendar days** after receipt of the NTP and completed within 15 days thereafter.

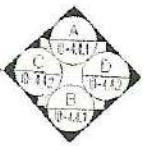

Please see attached floor plan and sample pictures of furniture for reference for the above-mentioned project:

All other issuances inconsistent herewith shall be superseded.

Please be guided accordingly.

BANAUE HOTEL
OUTDOOR AREA

SITUATION:

1. Existing bar
2. Steep stairs without railing
3. Existing toilet
4. Existing guardhouse obstructing the view
5. Covered area
6. Existing pump room
7. Uneven concrete finish

SOLUTIONS:

1. Change column finish for the bar
2. Remove existing and build new staircase
3. Remove existing toilet
4. Remove guardhouse
5. Remove covered area and put sauna in that area
6. Maintain pump room

Additional:

1. Build spa and sauna
2. Build new bar and transform existing bar into pool reception
