SUPPLEMENTAL/BID BULLETIN
NO. I-04-02-25

Structural Retrofitting of Banaue Hotel, Banaue, Ifugao

The Bids and Awards Committee (BAC) of TIEZA hereby issues the following clarifications and amendments, as discussed during the pre-bid conference held on April 7, 2025:

Clarifications	Reply
A prospective bidder inquired about the possibility of submitting a proposal using the FRCM method	The End-User clarified that the current approved design, as stated in the Detailed Engineering Design (DED), must be followed. However, any improvements suggested by the structural engineer may be considered later
Site Inspection	An affidavit or certification of site inspection is required as part of the bidding documents
A request for an extension of the bid submission and opening schedule was raised by one of the prospective bidders to allow sufficient time for site inspection, especially due to the holiday season.	Deadline of Submission of Bids May 5, 2025 9:30 A.M Opening of Bids May 5, 2025 10:00 A.M
The Single Largest Completed Contract (SLCC)	Shall follow the applicable PCAB license category for general building projects Medium A- Category B - Building
Contact Person For Site Inspection	Sir Ruben 09973540937

All other issuances inconsistent with this bulletin are hereby superseded.

Please be guided accordingly.
